

Tuesday

Adoptable – 7 Yrs Old

Background:

Tuesday was surrendered by her owners who wanted her to go to a home that would see the potential she carries. She was listed for free which puts a horse at incredible risk. We stepped in to help her. She had an unstructured life, but has thrived when given a solid foundation of training. She is eager to learn and put her energy towards new challenges.

Gifts:

She has Pinto markings and can be enrolled into the Pinto Association. Loves people, groups and looks favorably to leadership. She is small but very smart. Great hearts come in all shapes and sizes. The very definition of a pocket horse, she will follow you around like a puppy.

She is looking for someone to lead the way.
